## The Chairman Speaks :

Having been ill for the past two months, I had ample time to think back over the years and was indeed gratified with the progress of Tattersalls Club. In 1928 we moved into our new building with a membership of 1,200. Today, with our modern, up-to-date club and a membership of just over 4,000, the club cannot fail to progress.

This has been achieved with hard work by the past and present committees and I cannot let this opportunity pass without saying how fortunate the club has been over the years in having the services of these members.

To all my friends who sent their best wishes to me whilst in hospital, I say thank you. To the Deputy Chairman H. (Barney) Fay and to the committee who carried on during my absence, thanks also.

## VALE DR. ROSE

Club members were shocked to hear of the untimely death of Dr. Norman Rose in New York on Thursday, August 31st.

Dr. Rose was a prominent member of the Club and the community. He was also the Superintendent of Sydney Hospital for half of his life time.

Norman was visiting America to attend a meeting of the International Hospital Federation in Chicago to be elected to its Council of Management.

Before his departure, Dr. Rose, who was the President of the N.S.W. branch of the Royal Flying Doctor Service, attended a ceremony performed by Sir Hudson Fysh on the occasion of the purchase of two new planes for the Service.

The sympathy of the Club goes to Mrs. Rose.

## NEW PRESIDENT

It was nice to hear that well known Tattersall's Club member Bill McKay has been elected President of the Port Macquarie Bowling Club. Bill, formerly of the Rushcutters Bay Hotel is now living at Port Macquarie and will be pleased to welcome any of our bowlers who may be touring the coast. Bill reports there are three excellent greens and first class amenities.

## RARE COIN

Committeeman Alf Collins recently produced a rare memento—a five dollar American gold piece dated 1899. It came into his possession in a rather unusual way. He was solicitor for Edward (Ted) Moon, the famous cross-country horseman who, after having been disqualified by A.J.C. stewards, decided to take a trip to America.

While he was in the States he became a close companion of Jack Dempsey (The Manassa Mauler), then heavyweight champion of the world.

Efforts by Alf to the A.J.C. Committee to shorten the term of disqualification were successful, and Ted Moon returned to Australia to ride a winning double on Jack Rice at the Spring meeting a few days after his arrival.

The coin was given to Ted Moon to present to Alf, which he did on his return to Sydney.

## HEAR HEAR

The Hon. W. (Billy) Sheahan was welcomed back to Parliament by both sides of the House when he returned after four months of illness. Will be nice to see you at the club, Bill.

## ONE WIG FOR SALE

Judge (Frank) Hidden retires this month after many years on the bench. The Club wishes you a happy retirement, Frank. No doubt we will be seeing you more often at the Club.

\* \* \*

## SNAKES ALIVE

Club member Ron Williams' son, Kerry, has a most unusual hobby—snakes. Brown, black, carpet, even one with a cold. Kerry, who is at present in North Queensland, despatched a crate of pythons to Ron with instructions to bag and sell them. Good luck, Ron.

## GUINNESS' DAY AT THE CURRAGH

Member Keith McGrath who is at present touring the world and spending several weeks in Dublin, sent the following article:

The day I chose to go to the Curragh Racecourse, north of Dublin, it was Irish Oaks day—Guinness' Irish Oaks—because the famous stout brewing firm had subsidised the race, which was worth £26,000 Sterling.

The first impression you get of the Curragh is its size and its openness. A single running rail appears, stretching endlessly across the Kildare downs. It's possible to run a two mile race without the horses needing to pass the same section of the track more than once. In fact the course does not make a complete circle, and the Oaks start (1½ miles) is at the far side of the track.

But apart from its size the racecourse doesn't compare with Australian tracks—in grandstands and betting

rings I doubt if it would come near to Canterbury or Moonee Valley.

That old tag about the "emerald isle" certainly rang true at the Curragh. The turf there was the greenest I'm ever likely to see. And the horses? Really splendid! Every one was an individual and beautifully turned out. There were hardly any geldings and few horses were older than four years. The Oaks was won brilliantly by a filly called Pampalina (Bahram II—Padus) who set up a fifteen lengths lead in the first half mile and stayed in front till the winning post.

A few interesting variations on the racing procedure were the mounting and parade of the Oaks runners on the course proper and then the presentation ceremony also on the course proper—with a portable set of stalls being erected right at the winning post. The winning post bore the bold legend: IRISH GUINNESS OAKS—1967.

## OVERSEAS

Well known member Stuart Willmott left Sydney recently accompanied by his wife for a 12-weeks' business trip, taking in Athens, Rome, London, New York, Acapulco, Los Angeles and Honolulu, before returning to Sydney. Best wishes for an enjoyable trip, Stuart.

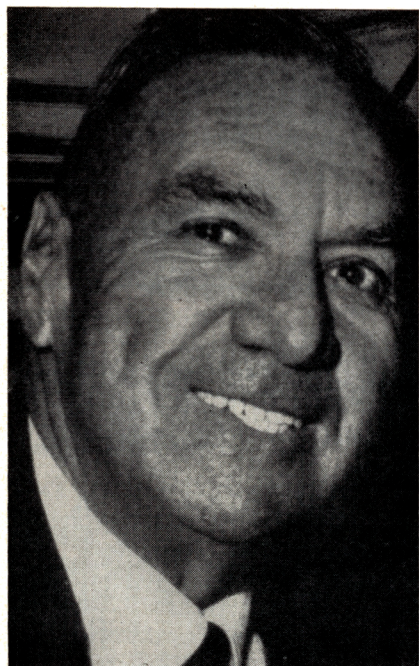

George Martin and his wife, Pat, who are at present touring the United States and the Continent, have written home telling of their wondrous experiences. At the same time George speaks of the fine hospitality shown them by our reciprocal clubs in America. He goes on to say: "How nice it is to be looked after by Tattersall's in a strange country. I am so glad to be a member."

Popular member of the club, Sir Norman Rydge, is beaming broadly following the successful challenge of the Admiral's Cup. His son, Norman junior, who is Commodore of the Cruising Yacht Club of Australia, is in England in charge of this venture. Our congratulations to you, Norman.

## 100 YEARS — STILL GOING STRONG

One of our New Zealand members, Doug Webster, writes us about his mother who will be 100 years of age at the end of September. She has lived all her life in New Zealand, is in very good health, and still does her own housework and cooking. Mrs. Webster has 75 grandchildren and great grandchildren, the eldest of whom is well known ex-jockey T. Webster. Doug Webster, who has been a member for 35 years, states that Tattersall's Club is a household word in New Zealand clubs. Our congratulations to your mother, Doug, and we wish her well for the future.

Club member Ted Davis has been elected as president of the Mosman Rotary Club, and we extend our congratulations to you on this appointment, Ted.

As most members know, Ted was a well known rails bookmaker for many years, and since retiring is managing director of an appliance company at Mosman.

## GOOD LUCK, JOHN

John Edmonds, one of our younger members and a regular participant at the Swimming Club, left for an overseas tour on 31st August. Visiting Hong Kong, Tokyo, London and the States, John will make a study of the latest trends in real estate, more particularly with respect to home units and land subdivision. He expects to be away about eight weeks.

\* \* \*

## POPULAR MEMBER DIES

One of our most popular members, John H. (Jack) Lloyd, died suddenly on the third floor on August 11th, at the young age of 42. Jack was Director of Advertising for the Readers Digest, also President of the Inch Club. To his wife and five children, our deepest sympathy.

## WHAT'S COOKING?

Well known member John Pepper recently travelled to England to attend the Rotary International Convention, held at Nice, representing Thomas Cook Travel Agency. Following the convention John visited Holland, Scandinavia, France, Amsterdam, Zurich, Rome, Cairo, Karachi, Hong Kong, and Bangkok, before returning to Sydney.

While in London John attended the famous Derby as a guest of Dewars Whisky.

The accompanying photograph, taken outside Cooks' London office, shows John Pepper (right) wishing good luck to John Shepherd.

\* \* \*

## BEST WISHES

The reason behind the elated smile of Club Secretary Lyal Binns lately is the announcement in the press that his nephew, Australian International Squash player Ken Binns, accepted one of the biggest offers ever offered a player to switch to professional squash ranks.

Although not a member of this Club, as he lives in Newcastle, Ken is well known to many of our younger and more active members who participate in the strenuous game of squash.

Ken will be leaving to take up this appointment as head professional at a prestige squash and tennis club in Montreal, Canada. I am sure all members join with Lyal in wishing his nephew and family a very happy and successful career.

## SINCERE SYMPATHY

Members will note with regret the death of a prominent member of the Club and the community — Mr. Justice S. V. Toose. Mr. Justice Toose was initially an associate to Mr. Justice Gordon, chief judge in divorce, and later practised almost exclusively in this jurisdiction before his elevation to the Bench until his retirement at the age of 70 years. To his family members extend their sincere sympathy and condolences.

\* \* \*

## NO NAME, NO PACK DRILL

One of our most prominent racing members recently scored the four jokers, followed by the three aces, on the poker machine. This was the second time in two years. Good luck, . . . ?

SYDNEY CHAMBER OF COMMERCE  
CHAIRMAN

It is with pleasure we record the achievement and honour attained by our member, Walter H. Lambert, who has been elected president of the Sydney Chamber of Commerce for the next year.

Many members are aware of Walter's private occupation and position as Australasian agency manager of the Prudential Assurance Co. Ltd., but very few have had the opportunity of becoming aware of his fine contribution to community affairs. He is the first person in Australian commerce history to have held the presidency of two Capital city Chambers of Commerce (Brisbane and Sydney). He is a member of Convocation of the Macquarie University of Sydney, besides a council member of the Taxpayers' Association of New South Wales.

In addition, from 1951-1961, he was a member of the executive council of the Royal Flying Doctor Service, Queensland.

We are sure all members offer congratulations to Walter on the above achievements.

### GOLDEN OINTMENT

Following a short visit to hospital Peter Holohan was seen back at the Club again in full strength. This is borne out by his joyous antics at Warwick Farm Racecourse recently when Strictly Irish passed the post a winner.

Peter, in partnership with members Neville O'Neill and Sid Kay, has raced several horses with some degree of success.

Your fellow members congratulate you all, and hope there will be plenty more winners in the future.

\* \* \*

### ANOTHER DERBY WINNER?

Brothers Jim and George Fleming recently purchased Nobel Prize (Wilkes-Born Lucky) chestnut colt and Jamaica Grey (Red Gauntlet-Whispering Towers) grey colt. Maybe they have ideas of another Concerto, with which they won the Derby some years back at the nice odds of 40-1.

\* \* \*

### ANOTHER COACH?

Congratulations to Frank and Mrs. Guthrie on the birth of son Charles (7½ lb.). All doing fine, including Frank.

\* \* \*

### PROUD GRANDFATHER

Another Club committeeman, Jack O'Neill, is in the news through his son and fellow member John, Jnr.

John and his wife, Lois, who is the daughter of former well known sporting personality, the late Cyril Angles, presented him with a bonny bouncing grandson, their second, and we all extend our congratulations.

Jack also has another son, Bill, who has five daughters in his family.

Grandfathers can certainly look proud when they have a family record like this.

### HOLIDAYING IN THE EAST

Committeeman John McKell recently received a letter from Newcastle member Les Fines who is spending his holidays touring Japan, Hong Kong and Singapore. Les sends his best wishes to his many friends at the Club and looks forward to seeing them all again in the near future.

By the way, John McKell, who was secretary of our Bowling section for

many years, has again been re-elected as senior vice-president at their annual meeting held recently. Congratulations, John, on your election to this post.

## GOLF NOTES

Manly is calling and we don't mean the beaches. Our next golf club outing is scheduled for Manly on September 7th, and despite the clash with school holidays a big field is expected to enjoy this lovely course.

No doubt some of the players will appreciate the easy going and finish "full of running" to enjoy the happy get-together at the 19th.

Past games have resulted in a keen battle for a winning score, so make up your four or just come along solo — there's a game for everyone and prizes to be won. New members are welcome and it is pleasing to see names added to the Golf Club membership list every golf outing. \$2.00 a year makes you a member of Tattersall's Golf Club.

Our next venues are at Bonnie Doon on 5th October, and Concord on 30th November, which will be Club Championship and Christmas day.

If you wish to be placed on the mailing list for circulars and notices please advise the office. Enjoyable outings are assured.

## MODERN ACCOMMODATION

Members requiring accommodation in the city could not do better than their own Club. These luxurious rooms, with or without private facilities, are available at a very reasonable charge. The Club is centrally situated, and where else would a member obtain morning tea and paper, breakfast and an early morning swim at no extra cost.

# Club Members Top the Thoroughbred Line

By Cliff Graves, "Daily Telegraph"

Three members of Tattersall's Club were instrumental in the development of Wenona Girl, greatest stake-winning mare in Australasia and the United Kingdom with \$141,650 to her credit.

They were: Mr. J. W. Kelly, who bred her at his Newhaven Park stud, Booroowa; Mr. W. Longworth, who bought her as a yearling in 1959 for 2750 guineas; and Maurice McCarten, who trained her at his Randwick stables for the 17 races she won.

Mr. Kelly is one of eleven club members who raise thoroughbreds for auction as yearlings and the fact that they produced 140 for sale last Easter indicates that they play a major part in the bloodstock industry.

Mr. W. Longworth, who bought and raced Wenona Girl, ranks among the oldest members of Tattersall's Club. He joined 53 years ago. He was nominated for club membership when his father raced a string of horses of whom Satin Bird won the 1918 Epsom Handicap at Randwick.

Mr. Longworth developed a profound knowledge of the turf which later admirably fitted him for choice as Chairman of the Sydney Turf Club with its two courses at Rosehill and Canterbury.

Mr. Longworth has been a lavish supporter of the turf with a powerful team of horses and his successes with Wenona Girl, Farnworth, and Aureo prove that he has a keen equine sense

in the choice of his thoroughbreds.

Maurice McCarten has been a member of Tattersall's for 25 years. He ranked among foremost jockeys in New Zealand and then Australia and retired from the saddle to train a host of winners, including a Melbourne Cup winner and champion in Delta.

Among Tattersall's Club members Mr. Geo. Ryder of Woodlands Stud at Denman was the biggest contributor with 47 lots, Mr. Kelly offered 24; Mr. S. G. White of Carrington Stud, Jerry's Plains 23; Mr. Tom Flynn of Oakleigh Stud, Widden Valley 23; Mr. Lionel Israel of Segenhoe Stud Scone, 21; Mr. Frank W. Thompson of Widden Stud, Widden 20; Mr. E. N. Larkin, Stoneleigh, Wilberforce 11; Mr. M. V. Point of Sledmere Stud, Scone 10; Mr. Jack Mandel with mares at various studs, 8; and Mr. V. C. Bath of Bhima Stud, Scone 8.

Mr. Kelly has been a member of Tattersall's Club for five years. Supervision of his Newhaven Park Stud permits little time for the city, but he is a popular visitor here at the club when he does come to town.

Reigning monarch of his stud has been the French bred stallion, Wilkes. He became leading stallion for Australia in the 1963-64 racing seasons and is near the top for the season just ended with \$188,696.

The demand for his stock continues year after year at the Easter sales and

last Autumn his 22 youngsters brought \$205,275, averaging \$9330 each, and he had the distinction of siring a colt from Blooming who brought the record Australian price of \$39,900.

Mr. George Ryder, former Committeeman and now Treasurer of the Sydney Turf Club, has played a big part in racing and the thoroughbred industry, having organised many important sales of Australian stock to America. He has been a member of Tattersall's for 25 years. For his stud, imported English stallion, Pipe of Peace has formed a powerful dynasty and now he is hopeful about a new stallion, Sostenuto, winner of all his British races at two and three years, and already the sire of smart winners in the season just ended.

If Sostenuto proves as successful as Pipe of Peace it will afford Mr. Ryder a fitting reward for the arduous labors he has put into a lifetime of service to breeding and racing administration. The produce of Pipe of Peace have won \$1,198,448 in racing prizemoney, thus making him one of the few with a million dollars in his background.

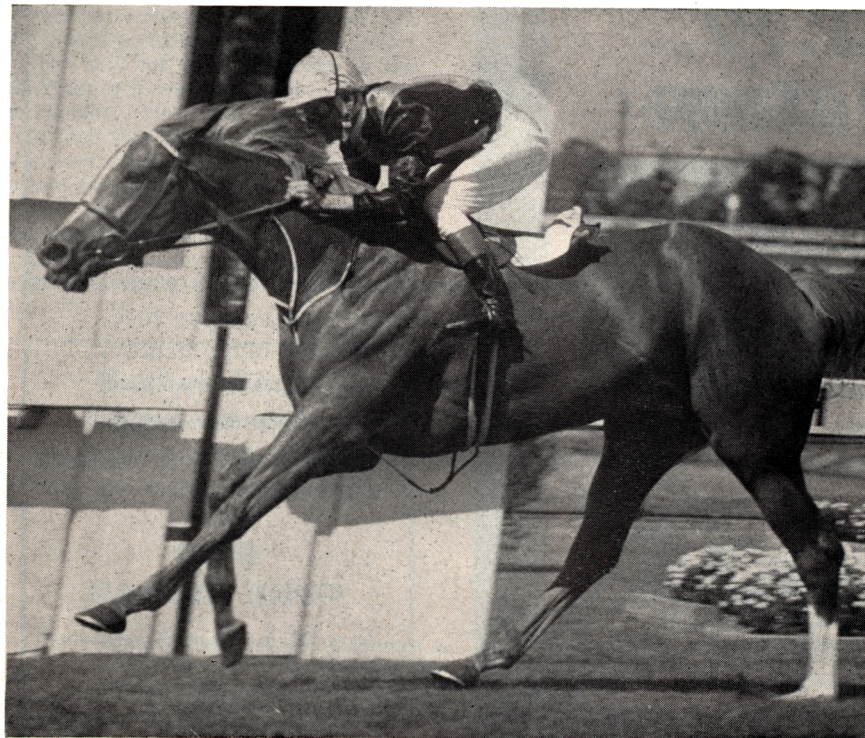

Mr. Frank Thompson is another deeply entrenched in with breeding and the conduct of racing and racing affairs. His father, Mr. A. W. Thompson, was a breeder on a very big scale 50 years ago and became a committeeman and Vice-Chairman of the Australian Jockey Club. Mr. Thompson Snr. shared in the ownership of Ajax (18 winners straight) and Backwood (imp.), Melbourne Cup winner of 1924.

When Backwood went to the stud it was at Mr. Thompson's Widden property, where he sired many notable gallopers, including the 1931 Newmarket winner, Parkwood.

Mr. E. N. Larkin, a member of Tattersall's Club for 17 years, has rendered valuable service to breeding and racing although in a rather different approach. He is rated one of Australia's foremost veterinary authorities and is Honorary Consultant to the Australian Jockey Club.

His veterinary activities keep him too busy to run a big stud, although a well selected group of mares sent to fashionable stallions has provided rewarding returns at the annual Easter sales.

Mr. V. C. Bath, who has been a member of Tattersall's since 1960, is a busy man with cattle, polo, and racing administration, besides his bloodstock breeding. On a recent English visit he bought a yearling which has already developed high potential there with six wins at two and three years. His name is Above Water and eventually he will

WENONA GIRL

come to Australia perhaps to race in Australia and later to stand at Mr. Bath's Bhima Stud, Scone.

Mr. Tom Flynn of Oakleigh is a popular visitor to Tattersall's since he joined nearly 14 years ago and has leased to members some valuable racing stock. His purchase of English-bred Red Gauntlet proved a good boost for Australian breeding. Red Gauntlet was rated among England's top two-year-olds of his season.

The Red Gauntlet success was reflected in returns for the last Easter sales when his 19 yearlings brought a total of \$146,895 at an average of \$7731.

Not content to rest on these laurels Mr. Flynn imported another stallion, French-bred Snark, whose stock was in popular demand with the expert buyers at their first season sales last Easter. Snark, like Red Gauntlet, was a brilliant two-year-old performer, and is bred on royal lines.

Mr. Lionel B. Israel began as a small-time owner in the Newcastle area, acquired a few mares and soon began breeding on a large scale.

He acquired a famous old stud which had been established by William Brown, brother of the famous John "Baron" Brown. It was called Segenhoe.

He had notable success with Nilo, who sired winners of many great races and then with Pan, who was subsequently purchased to go back to a stud in France. Mr. Israel now has a highly bred English stallion, Dickens, who won the Goodwood Cup, a staying classic, and sired winners on the English turf before coming to Australia.

Mr. Israel, who has been a Tattersall's Club member for 37 years, could be nominated as one of the best long-distance supporters of the Turf in N.S.W., with always a team of horses to carry his colors.

Mr. S. G. White has been a Tattersall's Club member for 28 years and before and during that period turned out scores of good winners from his Carrington Stud at Jerry's Plains. Now he has an English stallion, Just Great, who ranked among the top three-year-olds of the 1961 season, and whose dam Just Wyn is by Star Dust, sire of Australia's outstanding sprint sire of recent years, Star Kingdom.

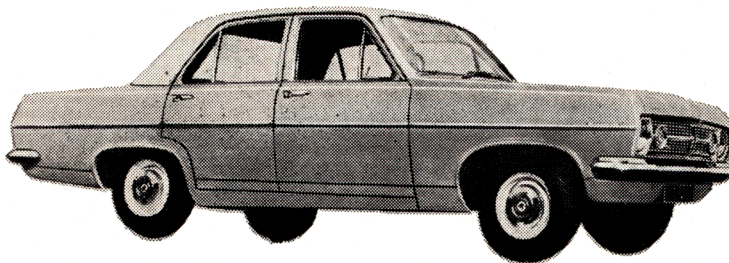

His first stock offered last Easter created a favorable impression with buyers.

Beginning as a bookmaker, Mr. Jack Mandel's association with the turf developed into breeding and owning his own racehorses. Among these was Derby winner Persian Lyric, and a full brother, Prince Darius, who won aggregate stake money of \$143,170. Persian Lyric was a versatile performer who won a Derby and a Stradbroke seven furlongs while Prince Darius became a weight-for-age champion of his period.

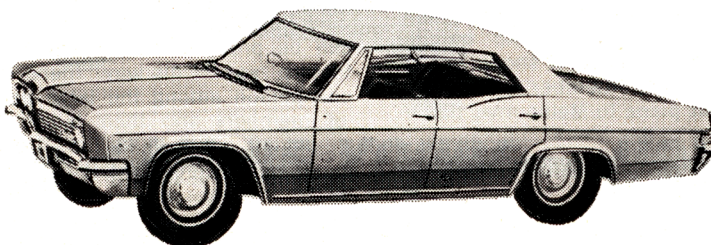

Mr. Mandel has been a member of Tattersall's for 37 years.

# THE BIG NEWS FOR INTER-CLUB SNOOKER-ITES!

In the June issue of our Magazine we stated: "There is going to be provided for those members, who, by virtue of their regular attendance and performance, have come to be regarded as permanent members of Tattersall's Snooker Team, the most pleasant incentive that one could imagine."

At that time we could not elaborate further, but now — off come the wraps — and we can disclose that by the outstandingly courteous and sporting gesture by a well known sporting gentleman, all accredited playing members of the six Sydney Clubs that participate in our Inter-Club Competitions are invited to be his guests at Flemington on this year's Melbourne Cup Day.

This gentleman (who has, very modestly, requested that he not be named), every year takes a chartered plane full of guests to the Cup, and this year has decided to invite the Inter-Club Snooker teams as his guests.

It should be a great day for fellows who long have been in friendly, though competitive, association across the green cloth.

Of course no one is guaranteed a winning tip for the Cup, neither can we expect losing wagers to be refunded. Other than that it should prove to be a day to remember with travel by chartered plane to Melbourne, trans-

port to and from Flemington, and seats in the stand directly above the winning post.

To the very generous gentleman who is making this possible, we of the Inter-Club Snooker fraternity extend our warmest thanks for his very fine gesture.

## FAREWELL NIGHT FOR EDDIE CHARLTON

Eddie Charlton, who is probably the greatest snooker champion Australia has ever produced, leaves for England around the middle of October next, to do battle with the Snooker greats over there for the title of World Champion. We believe that Eddie has the potential to add further to Australia's glorious record in the field of sporting endeavour, and this farewell night is to be held early in October so that we can be provided with the opportunity to help him on his way. There was not one person among the large gathering of members and their ladies on the

night of June twentieth last who was not enthralled by Eddie's masterly exhibition of Snooker which he provided for us gratis.

Again, on his farewell night, he, together with another leading player, will intrigue us with his uncanny ability, and we do indeed look forward to very strong support by members and their ladies on this very special night early in October on a definite date to be announced.

## HARD LUCK STORIES

Our condolences to the following players in our grand Snooker Handicap Tournament whose first round games ended in photo-finishes and who found themselves on the losing end of a Black Ball result.

R. M. Davies, K. C. Foster, E. A. Davis, J. H. Peoples, P. MacLean, R. Oswald-Sealy, M. M. Watson.

Hard luck fellows! But remember — there's always next year.

## Bill Stiffe Wins a Hat Trick

This month a record was created. One of our regular bowlers accomplished the hat-trick by winning three trophies in succession. The player was no other than young Bill Stiffe, and we congratulate him on a remarkable performance. We heard on the grapevine that Nick Solomon, our selector, has his eye on you, Bill, and we wouldn't be surprised if he decided you should have a handicap and only allowed in triples.

The number of players is steadily increasing and there has been a noticeable improvement in the standard of play due largely to more regular attendance by our better bowlers.

At this stage 26 members have indicated their intention of making the trip to Newcastle on 12th September. A number are taking their wives with them, and from our past experience of Newcastle hospitality, there is no doubt that a good time will be had by all.

Our President was in fine form at Waverley and led remarkably well against a Number One pennant player. He was very disappointed when rain stopped the game as he felt that he was "just getting his eye in". Keep up that form for Newcastle, Fuz.

A welcome to a new member, Arthur Murray of Grafton. Arthur will have his first game with the club at the Newcastle Round Robin. He was a member of the Grafton team which recently won the Number Two State pennants, and will give added strength to our side.

The weather was not kind to us this month. The game at Waverley on 10th August had to be abandoned at afternoon tea because of rain, and 17th August at Rose Bay was a washout.

Winners at Bellevue Hill on 27th July were: W. Stiffe, M. Cameron and H. Davis with 21 points; and at City on 3rd August, K. Manion, K. Gayfer and T. Dwyer won with 23 points.

# SWIMMERS NEW SEASON

Swimmers will be in racing action in the pool again as the 1967/1968 season will commence with a 40 yards handicap on Tuesday, 10th October.

Not that the boys have given up their swimming since the last season ended in July, for they can be seen daily racing up and down the course so that they will not be found wanting in pace in October.

Amongst those who are very regular in attendance are David Bruce, Derek Jackson, Don O'Connor, Charles Copp, Bill Rowe, David Dind and Jim Comans.

The handicappers have had their heads together getting the new season's marks on paper and we've heard a lot of "urging" for increased handicaps.

It is anticipated that there will be a lot of new members in the coming season and to those who intend competing, the information is given that they should swim handicap time trials at latest during the week preceding the first race.

These may be undergone by arrangement with officials Sam Block, Arthur McCamley and Jack Dexter.

Handicaps will be held every Tuesday for heats and every Thursday for finals, racing starting at 1.10 p.m. on those days.

A point score series is held over every four races for a trophy, whilst Bill Kirwan's "Native Son" trophies will be presented to the three swimmers who score most points during the season.

It does not matter how slow you are in the water, the handicappers will allot handicaps to give everyone a chance and the big thing about the whole of the competition is the good sportsmanship and friendliness shown in them.

The N.S.W. Swimming Association is having a very busy time in preparation for its new season and amongst innovations is the appointment of a full-time General Secretary in the person of Bob Foat who had been for years a high staff member for the Sydney Cricket Ground Trust.

Drummoyne Baths have been leased by the Association with a manager appointed by it, and the N.S.W. and Australian championships will be held there.

In addition there is a move afoot to build an indoor heated pool on the site.

Quite a number of overseas trips have been or are about to be undertaken with the Australian Water Polo team on a world tour. A team of youngsters booked for a trip to Fiji and many of our stars are in action in Europe and U.S.A.

Australia has had a lecture visit from coach Cec. Colwin from South Africa, and U.S.A. Olympic champion Donna de Varona is at present on a lecture

tour here and will be coaching and speaking at the A.S.A. National Swim Forum at the National Fitness Camp this month.

By the way, we saw Cec. Colwin being entertained at dinner in Tattersall's Club by A.S.A. president Jack Dexter, chairman of council Roger Pegram and general secretary Bob Foat. In a letter written after he left Australia he expressed his pleasure and thanks for his visit to our club, which impressed him greatly.

Star swimmer Greg Rogers, son of enthusiastic Tattersall's Club all round sportsman Norman Rogers, was a member of the Australian Universities' team of stars which appeared in Tokyo during August.

Talking of Japan reminds us that Tattersall's Club swimmers Bruce Chiene as co-manager and David Whitehead as captain, depart this month with Eastern Suburbs Rugby Union team for Japan. Good trip, boys!

The Berge Phillips family is on the move overseas again. Bill, with wife Nell, leaves this month for Yugoslavia, followed by a trip taking in most of the world. Bill, who is president of swimming world ruling body, F.I.N.A., will meet the Australian Water Polo team which includes brother Carl, a member of our club, manager of the team and son Bill, one of the players, in South Africa.

That Tattersall's Club swimmers are to the fore in the N.S.W. swimming world is shown by a glance at the N.S.W.A.S.A. Education and Coaching

Committee, which includes John Devitt, Terry Gathercole and John Marsden.

Others of our members who occupy high positions in N.S.W.'s ruling body are vice-patrons Sir Leslie Herron, K.B.E., C.M.G., Frank Carberry, and Bill Macrae, president Jack Dexter, M.C., A.S.U. of A., president Bill Berge Phillips, treasurer Tom Middleton, auditor Allan Ball. Dr. Fuz Porter is patron of the N.S.W. Water Polo Association.

It can be seen that Tattersall's Club members are pulling their weight in the broader spheres of the sport as well as in Club activities.

It is good to hear that John Brice, who was out of action for most of last season through an injury, is feeling better and hopes to be in full action in 1967/1968.

Looking forward to seeing all the old members and a good bunch of new members in the pool for the start of the season.

# NEW HANDICAPS & NEW COMPETITION

Whilst we have been waiting for the very much delayed "Winooka" trophy competition to be completed both the handicapper, Sam Block, and Secretary, Norman Rogers have both been busy. Sam Block revised the handicaps for 1967/68 as follows:

## 41 UP (Reviewed 1/8/67)

Players graded —20 to +15 play off handicap (e.g. +3 v. +9, then start 3 v. 9 —41 up).

Players graded +16 to +32 play off 0, less difference (e.g. +16 v. +32 then 0 + 16 —41 up).

Players on or below +15 playing others 16 or more play off handicap.

COOKS

There's a lot to be said for the old adage 'too many cooks spoil the broth' but it certainly doesn't apply to travel! And there are over 400 Cooks offices in 57 countries to prove it!

Sophisticated travellers know how valuable it can be to have the man from Cooks' close at hand when needed. And remember too — Cooks handle every type of travel from Conducted Tours to Independent Travel — at no extra charge for their 125 years of experience.

## MEMORIES

It was my pleasure to be enjoying a drink with three of my good friends the other lunchtime in the club. These were: Edwin Penfold, Alf Bloomfield and Sammy Block. Naturally conversation turned to handball, with comparisons between form of members 35 years ago with those of later days and the present day.

Also very naturally my young friends (Edwin and Alf both in their 70s and Sammy nearing that era) were very emphatic that in their days the games were bigger, brighter and better than at any other period.

They recalled that the first Handball Championship of Tattersall's Club was played in 1924 and the final was between Alf Bloomfield and Tony McGill, with Alf being the winner and the first champion of Tattersall's Club. The following year it was won by Tommy McMahon and the third year by Sammy Block — he held it for quite a few years.

They recalled such enthusiasts as Edwin Penfold, his brother Norman, Brigadier Playfair, Arnold Mote and quite a few others.

The games were played with covered tennis balls which they purchased from the White City Tennis Club after having been used once.

They also took me back to the old Albatross Club at the Domain Baths where many mighty handball games were won and lost.

It was quite a session. I eventually began comparing such stalwarts of my time — Eddie Davis, George McGilvray, Ted Davis, Joe Harris, Bruce Partridge and many others. I know these chaps were good but the "young" chaps in my company reckoned their era was better.

We then came to the present day and all agreed that our present champion, Bruce Galea, is the very top and would hold his own against any opposition.

But what about Norman Rogers, Ken Glass, Bobby Lipman, Maxie Sernack, Johnnie Brice, Brucie Partridge, Young Bill Sellen, Jim Comans, Bill Yewdall, Bill Hannan, etc., etc. These, I feel, would hold their own in any company.

Anyhow, as I said, it was a nice session and it is good to remember back about things that have happened in the past and look forward to what is to happen in the future.

— A. McCamley
